Dear Sir:

Applicants respectfully request that the holding of abandonment on U.S. Application No. 10/089,700 be withdrawn.

In response to a telephone conference with Erin Pender on Thursday, July 10, Applicants submit herewith a copy of the docket record for the date of July 29, 2002. Applicants assert that this is a copy of the docket record in which if Applicants had received the Notice to File Missing Parts, the Office Communication would be listed on this date as an Action was due on July 29, 2002. Upon review of this docket record, Applicants assert that the Notice to File Missing Parts is not indicated on the docketing records, nor are any actions related to the Notice to File Missing Parts indicated in the docketing records. Thus, since the Notice to File Missing Parts was not received and docketed, Applicants were unaware of a deadline in which to file the missing parts.

Applicants respectfully request that the holding of abandonment be withdrawn in view of the above comments and enclosures. An action on the merits of all the claims and a Notice of Allowance thereof are respectfully requested.

Application No.: 10/089,700

Docket No.: HO-P02416US0

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 06-2375, under Order No. HO-P02416US0 from which the undersigned is authorized to draw.

Dated: July 10, 2003

Respectfully submitted,

By
